APICS Overview

APICS is the leading professional association for supply chain and operations management and the premier provider of research, education and certification programs that elevate end-to-end supply chain excellence, innovation and resilience. APICS Certified in Production and Inventory Management (CPIM) and APICS Certified Supply Chain Professional (CSCP) designations set the industry standard. With over 43,000 members and more than 300 international partners, APICS is transforming the way people do business, drive growth and reach global customers.

APICS Mission

APICS builds and validates knowledge in supply chain and operations management. We enable our community of members, affiliates, and customers to lead in the global marketplace.
