

American Production and Inventory Control Society
(APICS)

Montreal Chapter

About us

Leading professional association for supply chain and operations management including production, inventory, materials management, purchasing, and logistics.

Premier provider of research, education and certification programs that elevate end-to-end supply chain excellence, innovation and resilience.

History

In 1957, twenty production control managers met in Cleveland to form the American Production and Inventory Control Society (APICS).

APICS officially became an international association in **1961**, chartering the Hamilton, Ontario, Canada chapter.

APICS Worldwide

APICS has more than 280 chapters worldwide, covering United States, Canada, Mexico, Porto Rico and Europe.

In Canada, APICS has chapters in

Montreal

Vancouver

Calgary

Edmonton

Manitoba

Winnipeg

Toronto

Hamilton

Ottawa and etc.
